

The Danish Equine Academy

- Because Quality Matters -

Education for Equine Physiotherapist EDP® with course start 29/9 2025.

Welcome to The Danish Equine Academy!

To register for our courses, kindly send an email to the Danish Equine Academy at info@mysir.dk, providing your full name, address, telephone number, and email address.

The course will start at 10 AM on the first day, while the other days will start at 9 AM. The course will continue until approximately 4 PM to 5 PM. Please be aware that all classes will be conducted in English.

Payment is organized on a per-module basis, and invoices will be sent around 14 days before the commencement of each module. An initial registration fee will be levied, which will be credited towards your first module.

Our educational programs take place at the Danish Equine Academy, situated at Thostrupvej 15, 8881 Thorsø, Denmark. Complimentary coffee and tea are available throughout the day, and a sandwich lunch will be provided.

We kindly request that you come prepared with clothes and footwear suitable for varying weather conditions. For your convenience, indoor shoes are mandatory, as we do not permit entry into the classroom with stable shoes.

Please note that course dates are subject to change. Your understanding and flexibility in this regard are greatly appreciated.

Course	Days	Price in dkk	Course dates
